SSCHPL
Steger-South Chicago Heights Public Library

Circulation: Privacy

The registration and circulation records of the SSCH Public Library District are confidential information. Except pursuant to court order, no person shall publish or make any information contained in such records available to the public. The District may publish or make available to the public reasonable, statistical reports regarding library registration and book circulation where those reports are presented so that no individual is identified therein.

Adopted June 18, 2020
